

3 Ply 330# 1/8 x Bare V-Cleat MOR

Application

This belt was designed for demanding applications that require a heavy-duty incline belt. The pattern handles free-flowing products like fertilizer and grain. The special nitrile blend resists oil and abrasion, making it a popular choice in a variety of applications. The bare back is available for slider bed applications.

Technical Data

	Imperial
Working Tension	330 PIW
